The list of qualifications that meet the funding condition on the provision of maths and English is now kept up to date on the Learning Aim Reference Service (LARS) using the validity categories **EFAConFundEnglish** and **EFAConFundMaths**.

You can access [LARS](#) on the hub.

The screenshot shows the LARS Learning Aims search interface. At the top, there are tabs for 'Home' and 'Learning Aims'. Below the tabs, the breadcrumb 'You are here: Home > Learning Aims' is displayed. A search bar labeled 'Keyword or code:' is present. Below the search bar, there are filter options: 'Type of Learning:' (set to 'All') and 'Teaching year:' (set to '2014/2015'). Under the 'Include:' section, there are radio buttons for 'All Aims', 'All Funded Aims', and 'Only the following Aims'. The 'Only the following Aims' section has several checkboxes, with two circled in red: 'English qualification validity for EFA Funding condition' and 'Maths qualification validity for EFA Funding condition'. Other checkboxes include '16-19 EFA', '24+ Loan', 'Adult Skills', 'Apprenticeships', 'Community Learning', 'OLASS', 'Other', and 'Unemployed Offer'. Below this, the 'Level:' section has a 'Select all:' checkbox and a grid of checkboxes for various levels: Level 1, Level 1/2, Level 2, Level 3, Level 4, Level 5, Level 6, Level 7, Level 8, Entry Level, Higher Level, and Mixed Level. At the bottom, there is a text input for 'Awarding Org code or name:'. A '+ Additional Filters' link is located below the input. At the bottom right, there are 'Reset' and 'Search' buttons, with the 'Search' button circled in red.

This will return all qualifications meeting the criteria and show the effective from date (From), the last date for new starts (LDNS) and the effective to date (To). For the qualification to count for the condition of funding, the students start date on the qualification must fall between the effective from date and the last date for new starts.
