2016 Key stage 1 mathematics sample test Paper 2: reasoning

This is an optional script. Pupils can use this in addition to their test booklet, if the class teacher judges it necessary for pupils to have this extra visual support to access the first five aural questions of the key stage 1 mathematics reasoning test.

Pupils should use the script alongside their test booklet when listening to the aural questions read by the teacher.

<p>Who is the script for?</p>	<p>The pupils' optional script should only be used if a pupil would find it difficult to access and respond to the aural questions and the visual prompts in the test booklet.</p> <p>Before administering the test with the pupils' additional script, you should consider:</p> <ul style="list-style-type: none"> • Does the pupil have any needs where providing the additional script alongside the test would improve their access to the aural questions? • You should only use this script with pupils where you are confident that use of the additional script will not confuse the pupils.
<p>Assistance</p>	<p>You must adhere to the administration guidelines in the test administration booklet when administering the test.</p> <p>For pupils using the additional script for aural questions:</p> <ul style="list-style-type: none"> • Pupils will need support so that they can attend to the script, the test booklet and the teacher appropriately.
<p>Before the test begins</p>	<ul style="list-style-type: none"> • Make a note of pupils who will have access to the optional script for aural questions. • Make copies of the pupils' script on the next page, as required. • Provide a copy of the test booklet and the additional script to the designated pupils. • Tell the pupils that they should use the script to help them follow the questions as you read them.
<p>What to say at the start of the aural questions</p>	<ul style="list-style-type: none"> • Follow the administration guidance provided in this document and the test administration booklet. • Tell the pupils to write their name on their optional script as well as their test booklet. • Remind pupils who have the optional script that they should follow each question as you read it aloud. • Ensure pupils know where to record their answers in their test booklet.
<p>After the aural questions have been administered</p>	<ul style="list-style-type: none"> • After the last aural question has been read aloud, collect the pupils' optional scripts.
<p>Marking the aural questions</p>	<ul style="list-style-type: none"> • Answers given in the test booklet should take precedence. However if a pupil has written their answer on the optional script, and not in the test booklet, teachers should mark accordingly as long as the pupil's answer is not contradicted elsewhere.
