Teaching Excellence Framework: Provisional list of eligible providers – Year One

This provisional list details both publically funded and private providers of full and part-time Higher Education who meet the eligibility requirements set out in the Government's [White Paper](#) for participation in Year One of the Teaching Excellence Framework.

Publicly funded English providers on this list will be eligible to increase their fees up to the maximum tuition fee caps, which will be increased in line with forecast inflation (2.8%) for the academic year 2017/18.

Providers failing to meet the eligibility requirements for TEF Year One as set out in the Government White Paper do not appear on this list. For those providers in England, maximum tuition fee caps will, for 2017/18, remain at the levels that apply for 2016/17.

Further details on student finance changes for 2017/18 will be set out in a Written Ministerial Statement, which will be published in due course.

Finalising the list of eligible providers for Year One

All institutions who are eligible for TEF (listed below) have the choice to either participate in the TEF or to opt out. Eligible providers will be awarded a rating of Meets Expectations and will be able to access the financial incentives noted below for one year only.

Institutions in England that choose to be part of the TEF will be able to access the following:

- providers with fees capped at the basic amount of £6k will be able to maintain their fees, and corresponding loan, in line with inflation up to a maximum of £6K + inflation.
- providers with fees capped at the higher amount of £9k will be able to maintain their fees, and corresponding loan, in line with inflation up to a maximum of £9K + inflation.
- providers with uncapped fees will be able maintain their tuition fee loan cap in line with inflation up to a maximum of £6k + inflation.

Providers can participate in TEF, but opt not to alter their fee rates. Providers who opt out will not be eligible to access the uprated fee cap.

Recognising the inter-connectivity of higher education across the UK, devolved administrations have given their consent for institutions from Scotland, Wales and Northern Ireland to participate in this first year should they wish. Providers from Scotland, Wales and Northern Ireland have been included on the list below. However, it is important

to note that this does not imply any commitment by the devolved administrations to future changes in tuition fees (or other financial arrangements) for these providers.

If you wish to opt out, please email the TEF Year One mailbox:

TEF.year1@bis.gsi.gov.uk, by 5pm on the 21st July. Please note that eligible providers remain part of the TEF by default meaning all opt out requests must be submitted by the closing date.

Annex A of the White Paper sets out the eligibility requirements providers must meet in order to be eligible for the TEF Year One. Working with the QAA, the Department has produced the following list to summarize who will be eligible for TEF Year One. As noted in the White Paper, postgraduate provision is not included in TEF Year One, therefore postgraduate only providers have not been included in the list.

When querying the list, please set out:

- The name of your institution
- The type, date and status of your last quality assurance review
- How your institution meets the designation requirements set out in the Annex.
- How your institution meets the coverage and scope requirements set out in the Annex.

The Department will then review all cases and confirm their decision by the end of summer.

Once the final list is confirmed, information about the first TEF awards will appear on the Gov.uk website, also on the UCAS, Unistats and HEFCE websites. Providers who wish to remove themselves from this list and therefore “opt out” of TEF Year One must email TEF.year1@bis.gsi.gov.uk by 5pm, 21st July 2016.

For all other enquiries about the list, please contact the same mailbox within the same timeframe.

The final list will be published in August on the Gov.uk website.
