HIGHER EDUCATION SCHOLARSHIPS 2017

Introduction

The purpose of this circular is to make schools aware of the launch of the All Ireland Scholarship Awards 2017. The scheme will provide financial assistance to top performing students from low-income households who intend to take up higher education places from next autumn.

The All Ireland Scholarship Trust (The Trust), which was established by JP McManus, will provide funding for the provision of these Scholarships. The Scholarship scheme will continue to operate while the All Ireland Scholarship Trust Fund remains in place.

Number of scholarships

The scholarships will provide financial assistance for up to 25 students per year in Northern Ireland for studies at undergraduate level, with 19 of the scholarships being awarded through the schools sector and 6 through the Further Education (FE) sector.

Eligibility Requirements

The scholarships being awarded through the schools sector will be on the basis of performance in A level examinations from all Awarding Bodies. In order to be eligible, candidates must attend a grant-aided post-primary school and be recognised as being from low-income households and, as evidence of this, must be in receipt of an Educational Maintenance Allowance. In addition, candidates must have completed a minimum of three 'A' Levels in the summer of 2017 (A levels offered by any awarding body will be accepted and this must be the first time that students have achieved overall grades in these A level subjects), and have also been **conditionally accepted onto a full-time undergraduate degree** course in the United Kingdom, or the Republic of Ireland, in the academic year 2017/18. The Scholarship may be deferred for one academic year and for that period only, with prior written permission of the Trust and the academic institution. The Scholarship will, however, remain a 2017 Scholarship. A minimum of two scholarships will be offered in each county (based on the home address of the student) with additional awards allocated on the basis of the top A levels achieved. The first scholarships will be awarded to students who intend to take up higher education places from autumn 2017.

Nomination Process

Pupils must complete a self nomination form which must be signed by the principal of the school. Application forms are available on the Department of Education (DE), the Council for the Curriculum, Examinations and Assessment (CCEA), Colleges N.I., the Department for Employment and Learning (DEL) website and on the NI Direct website at <http://www.nidirect.gov.uk/allirelandsscholarships>

Principals will be asked to verify a candidate's home address and to complete a declaration that he/she is in receipt of an Educational Maintenance Allowance. Candidates will be required to confirm that they are willing to allow all relevant details

to be given to the CCEA. When A level results have been issued to candidates, CCEA will validate top achievers on the basis of their examination results.

Further Information

Information about the scheme is available on the Department of Education's website at www.education-ni.gov.uk
