ESF Notes:

- For both LGF and ESF monthly one to one mentoring support must be provided throughout the programme and continue once the individual has progressed into a job outcome / apprenticeship / self-employment / skills provision at a higher level on a monthly basis for at least 3 months.
- ESF funded non-regulated learning will use the aims and rates listed in LARS. The specification gives an average rate for these as delivery will be bespoke to the learner and the candidate will be required to plan to use of the funding to cover all learners.
- The wrap around programme for an individual will be a bespoke non-regulated preparation for work aim. The scope and number of hours for this aim will be defined in the learning plan.
- The work experience uses non-regulated aims.  
Regulated aims will be paid the set rates above and reported via a delivery statement and the ILR must be submitted.
