For test administration

2018 Key stage 1 English grammar, punctuation and spelling test

The key stage 1 English grammar, punctuation and spelling test consists of 2 papers. The papers must be administered in order. There is no braille version of Paper 1: spelling. You should use the standard version of the test to administer that paper, if appropriate. Pupils do not have to sit both papers on the same day. If both papers are administered on the same day, pupils may benefit from a break between papers. Both papers can be administered to the whole class, smaller groups of pupils or on an individual basis. Test packs must not be opened until the pupils are in the test room ready to complete your school's first administration of the test. All test materials, including unused test papers, must be stored securely until Friday 1 June.

Paper 2: questions

The following information explains how to administer the braille version of the key stage 1 English grammar, punctuation and spelling test Paper 2: questions. Modified test administration guidance is available at www.gov.uk/sta. If you have any questions you should check with your headteacher or key stage 1 test co-ordinator before you administer the test.

Please follow these instructions correctly to ensure the test is properly administered. Failure to administer the test correctly could result in a maladministration investigation.

Format

- Paper 2: questions consists of a single question booklet.
- There is a printed transcript of the braille booklet to help test administrators.
- It is expected that the standard version of the test will take approximately 20 minutes to complete, but it is not strictly timed. Pupils using braille tests are automatically entitled to up to 100% additional time.
- It is at your discretion to choose when, or if, pupils require a break during the test or whether, if appropriate, to stop the test early.
- You must refer to the printed transcript rather than the standard test questions when administering this test.

Equipment

Each pupil will need the equipment specified below:

- a suitable way of recording their answers, such as a brailler, blue/black pen, dark pencil or word processor (i.e. the usual way they write in class)
- braille paper (if the pupil is brailling their responses).

Pupils may use the following, if this is normal classroom practice:

 technical or electronic vision aids, including low-vision aids such as closed-circuit television or JOCR scanners.

No additional equipment is allowed.

Assistance

- You must ensure that nothing you say or do during the test could be interpreted as giving pupils an advantage, for example indicating that an answer is correct or incorrect, or suggesting the pupil reviews an answer again.
- You must not explain any subject-specific terminology. If any other word in a question is unfamiliar to pupils, you may explain it, or show them objects to help them understand.
- You must not give alternative explanations, for example explain 'commands' as 'instructions' or name punctuation.

The document 'Notes for readers in the English grammar, punctuation and spelling test', which can be found at www.gov.uk/government/publications/notes-for-readers-in-the-english-grammar-punctuation-and-spelling-test-short-answer-questions, gives examples of how to read particular types of question in Paper 2.

The examples below illustrate how to deal with some common situations:

- Q. I don't understand the question.
- A. Read the question again and pay attention to key words that tell you what to do.
- **Q.** What does 'comma' mean?
- **A.** I can't tell you, but think hard and try to remember. We can talk about it after the test.

Guidance	The 'How to introduce the test' section tells you how to introduce the 2 practice questions.
for specific questions	Practice question a. Braillists do not have to copy the sentence. They may show the test administrator where the full stop is by describing the position orally, by physically pointing to the place or by placing 'sticky tack' in their chosen location.
	Practice question b. Braillists do not need to write down the whole word; they should simply write down the letter of their chosen answer. You may use this example of a multiple-choice question to familiarise braillists with how to answer such questions.
	Q1, Q3. Braillists should write down the letter of their chosen answer.
	Q6. Braillists may either copy the three sentences and add their chosen punctuation to each or may simply write full stop or question mark for A, B and C.
	Q7. Braillists should write down the letters of their two chosen answers.
	Q8, Q10, Q11, Q13. Braillists should write down the letter of their chosen answer.
	Q14. The wording of the target sentence has been amended. The mark scheme has been amended accordingly.
	Q15. Braillists should write down the letter of their chosen answer.
Before the test begins	 Make sure you have the printed transcript of the braille booklet. Review the list of pupils with particular individual needs and consider whether they may need rest breaks or other access arrangements. Ensure you know how to administer any access arrangements correctly by referring to the 2018 key stage 1 access arrangements guidance. Check there are enough administrators to maintain supervision and support during the test. You should consider the possibility that at least one test administrator might need to leave the room with a pupil. Read 'Notes for readers in the English grammar, punctuation and spelling test'. Ensure you understand how to deal with issues during the test.
What to do at the start of the test	 Check that seating is appropriately spaced. Check that pupils do not have mobile phones or other disruptive items. Check that pupils do not have any materials or equipment that may give them extra help. Ensure each pupil who needs it has 1 braille question booklet for Paper 2: questions.
How to introduce the test	It is important to brief pupils fully at the start of each test. Use these instructions to introduce Paper 2: questions.

This section continues on the next page.

How to introduce the test (continued)

• The wording of these instructions can be adapted, provided the meaning is retained.

This is the key stage 1 English grammar, punctuation and spelling test Paper 2: questions.

The test will take around 40 minutes. This includes your additional time allowance.

You should have Paper 2: questions in front of you.

Write your name on your braille paper.

If you want to change an answer, you should put a line through the answer you don't want to be marked, or use a series of 'for' braille signs (all 6 dots).

Now turn to page 1.

There are 2 practice questions that we'll do together.

• Read the question to the pupils.

Find the full stop below.

Then read the sentence.

The classroom display is great.

- Give pupils the opportunity to answer the question. If any pupil is not sure what to do, explain what they need to do to answer the question. Tell the pupils to turn to page 2.
- Read the question to the pupils.

Which is the correct option to complete the sentence below?

- Then read the sentence.
 - _ going to Jasvir's party.
- Direct pupils towards the options and then give them the opportunity to answer the question. If any pupil is not sure what to do, explain what they need to do to answer the question.
- Tell the pupils that:

There will be other types of question. If you are unsure how to answer, you should put up your hand to ask.

You need to work on your own. You need to think of your own answers and you must not talk about them with anyone else.

Try to answer all of the questions. If you can't answer a question, move on to the next one and come back to it later if you have time.

Read each question carefully so you know what it is asking.

Remember to check your work carefully.

If you have any questions during the test, you should put your hand up and wait for me/someone to come over. Remember that I/we can't help you answer any of the test questions.

Do you have any questions?

Turn to page 3 and start the test.

How to deal with issues during the test

It is impossible to plan for every scenario. Whatever action you take, pupil safety must always be your first consideration.

In the following circumstances, you will need to stop the test either for an individual pupil, a group of pupils or for the whole cohort:

- test papers are incorrectly collated or the dots have been printed incorrectly
- an incorrect test has been administered
- a fire alarm goes off
- a pupil is unwell
- a pupil needs to leave the room
- a pupil is caught cheating.

If you need to stop the test:

- make a note of the time
- make sure the pupils are kept under test conditions and that they are supervised
- if the pupils have to leave the room, ensure they do not talk about the test
- speak to your test co-ordinator or a senior member of staff for advice on what to do next
- consider contacting the national curriculum assessments helpline on 0300 303 3013 for further advice.

You should brief your headteacher on how the incident was dealt with once the test is over.

What to do at the end of the test

- Follow your school's procedure for collecting and storing the pupils' test scripts.
- All test materials, including printed transcripts, must be stored securely until Friday 1 June.
- If you need to make a transcript of a test script, complete it with the individual pupil at the end of the test under test conditions. Particular care should be taken to ensure accurate transcriptions are made and the pupil's answers, including spelling, are not corrected or amended.

Marking the tests

• Use the key stage 1 test mark schemes and the amended mark schemes for braille to mark the test, following both the general guidance and any specific guidance for each question.
