Introduction and purpose of the document

1. This document describes the methodology for establishing maximum loan amounts for designated qualifications. It confirms what the maximum loan amounts are for all designated qualifications, where learners start these qualifications in the funding year; between 1 August 2020 to 31 July 2021 (inclusive).
2. These maximum loan amounts will not change throughout the funding year and will apply for the full duration of a designated qualification, including if it extends into the 2021 to 2022 funding year or beyond.
3. This document covers the period of 1 August 2020 to 31 July 2021 and is our current advice for the funding year. We know that providers are working through exceptional circumstances due to Coronavirus (COVID-19). We may publish further updates to this document about the impact of COVID-19 on our funding rules as these become clear. We will tell you about any changes in our ESFA update. We would like to take this opportunity to thank you for your continued hard work in these difficult times. For further information, please read [this guidance to help schools and other education settings provide advice for staff, parents and carers, pupils and students about COVID-19](#).

Understanding our terminology

4. The term 'we' or 'us' refers to the Education and Skills Funding Agency (ESFA). When we refer to 'you' or 'providers', this includes colleges, Higher Education Institutions, training organisations, local authorities and employers that receive funding from us to deliver education and training.
5. The Secretary of State for the Department for Education, acting through us, designates the qualifications eligible for funding with Advanced Learner Loans (Loans).
6. A designated qualification is one that has been through our nomination process and meets the criteria detailed in [2020 to 2021 Designating Qualifications](#).

Establishing the maximum loan amount

7. There is a single set of maximum loan amounts for all designated qualifications, no matter how you deliver these qualifications.
8. We use a 'matrix' (table) to set maximum loan amounts. The matrix contains two criteria to decide the appropriate amount for each qualification:
 - 8.1. The type of qualification or the size of the qualification in Guided Learning Hours (GLH)
 - 8.2. The programme weighting for the qualification
9. Note the following exceptions, where we set the maximum loan amounts as a matter of policy:
 - 9.1. GCE AS levels
 - 9.2. GCE A levels
 - 9.3. Access to HE Diplomas
 - 9.4. 5 specialist Dance and Drama Diplomas

Size and type of the qualification

10. We use Ofqual's Register of regulated qualifications (RRQ) to define the size of the qualifications by their GLH, or if this is not available the minimum GLH.
11. We have maintained the same maximum loan amounts for qualifications that we designated for loans in 2019 to 2020.
12. The minimum loan amount is £300.

Programme weightings

13. Programme weightings recognise the relative costs of providing training in different sectors and subjects and are included within maximum loan amounts.
14. To set programme weightings, we refer to the sector subject area (SSA) detailed in the [annex to this document](#). We have also set a limited number of exceptions. The awarding organisation decides the SSA for all qualifications as part of the regulation process. For further information, please refer to Ofqual's [Register of Regulated Qualifications](#) and the [Quality Assurance Agency](#) website.

The matrix

15. The 'matrix' in Tables 1 and 2 show the maximum loan amounts for designated qualifications in 2020 to 2021. The 'Qualification size' column in Table 1 is for some

qualifications that we set a maximum loan amount for in 2015 to 2016 and are still available in 2020 to 2021. It is for information only; we do not use it for setting maximum loan amounts for new qualifications since 2016 to 2017.

*Some qualifications have their maximum loan amount based upon their credit value

16. Table 2 shows the maximum loan amounts for certain qualification types.

Table 2: Maximum loan amounts based on the type of qualification

17. The first three bands in table 1, for qualifications under 150 GLH, are only for qualifications designated at Level 4 or above. The other GLH bandings are the same as in each of the funding years from 2015 to 2016 to this current year.

18. The columns represent programme weighting category, associated with the SSAs and described in [the annex](#) to this document.

19. Five dance and drama diplomas (two at Level 5 and three at Level 6) have bespoke maximum loan amounts, which are set out in Table 3.
