Our thanks to Vivienne Harper and Ember Kelly at the University of Bath, for their excellent work on the Database and the bibliography. We could not have completed this without them. We are grateful to Camilla Lucas, at the University of Bath, who provided valuable secretarial support. Thanks also to Julieanne Murphy at the Department for Work and Pensions for providing efficient and helpful liaison. Jody Raphael helped us keep up to date with US evidence and policy debates. Karen Rowlingson contributed Chapter 2 and also provided useful comments on the whole text. Thanks to her for that and also many thanks to Fran Bennett and Jane Waldfogel for commenting on earlier drafts.
