What to do at the end of the test

- If any pupil needs a transcript, complete it with the pupil at the end of the test under test conditions. Particular care should be taken to ensure accurate transcriptions are made and the pupil's answers are not corrected or amended.
- Ensure you inform your senior member of staff / test co-ordinator if you have made a transcript, or if a pupil has used a scribe, or word processor or other electronic or technical device. This is so that they can complete the appropriate online notification.
- Make sure you have collected every test script. Return them immediately to the senior members of staff who are responsible for collating the test scripts.

Do not:

- Look at, annotate or review pupils' answers in any way (unless it is necessary to make a transcript). If you amend or tamper with pupils' answers in test scripts, it will be considered maladministration and results could be annulled.
- Keep or photocopy test scripts for any reason.
