

Inspection outcomes of short inspections of maintained schools and academies

The table below gives the number and outcomes of short inspections conducted between 1 September 2015 and 22 January 2016, as published by 22 January 2016.

Number of short inspections of good schools	318
% of good schools that remained good	64%
Number of good schools that improved to outstanding	27

Source: Ofsted inspections

The percentage of schools that remained good includes short inspections that confirmed the overall effectiveness of the school as good; plus short inspections that converted to a full inspection and the school was judged to be good.
