agreements signed after July 2010 must take part in Ofqual's [national reference test \(NRT\)](#), if selected. This will not apply to a small number of academies with funding agreements signed before July 2010, but we expect that these academies will want to participate in the test voluntarily, if selected, to ensure the test is fully representative.

Ofqual has appointed the National Foundation for Educational Research (NFER) as its test supplier and NFER will contact selected schools and academies in September.

The revised guidance will help schools and local authorities to comply with the recent changes to the Education (Pupil Registration) (England) Regulations 2006. We held a [consultation](#) on the changes in early 2016.
