Reviews of marking, moderation, and appeals: requirements for key dates for GCSE Qualifications

We set out below the requirements which an awarding organisation must comply with when it specifies deadlines for requesting reviews of marking, reviews of Moderation and appeals. These requirements are published under Conditions GCSE14.3(b), GCSE17.3(b) and GCSE18.4(b) and apply to all GCSE Qualifications (graded from 9 to 1).

Awarding organisations are no longer required to set deadline dates for Learners/Centres to request reviews of marking, reviews of Moderation and appeals. In choosing to set any deadlines, an awarding organisation must comply with the requirements set out below and with all other requirements in its Conditions of Recognition.

In particular the requirements set out below must be read and complied with in conjunction with the GCSE Qualification Level Conditions (which set out further requirements in relation to an awarding organisation's arrangements).

The requirements set out below align with the GCSE Qualification Level Conditions which are in effect. Some relevant GCSE Qualification Level Conditions have not yet come into effect and there are currently some transitional provisions in effect. We will keep the requirements set out below under review as any changes are made.

Requirements for key dates for assessments other than assessments which are marked by a Centre¹

An awarding organisation must ensure that the requirements in the table below are met in each case where the assessment is not marked by a Centre. The table sets out the minimum timeframe within which the awarding organisation must allow a review/appeal to be requested. Provided a review/appeal is allowed to be requested in that timeframe, an awarding organisation is permitted to also provide an 'accelerated service' (for example, where requests for reviews provided by an earlier date will be processed more quickly).

	STAGE	TIMEFRAME REQUIREMENTS
A	Date results are issued.	
B	Date by which a request for a review of marking of Marked Assessment Material must be made ² .	Learner/Centre making the request must be allowed at least four weeks following Stage A to make the request.
C	Date awarding organisation reports the outcome of the review of marking ³ .	
D	Date by which reasons for the outcome of the review must be requested ⁴ .

² Any date which is set must comply with Condition GCSE17.3, including complying with the requirements set out in the table.

³ Under Condition GCSE20, awarding organisations are required to have and take all reasonable steps to meet a target for the time it will take to complete a review.

⁴ Under Condition GCSE17.7(a), awarding organisations are required to provide reasons for the outcome of the review on request, although they may specify a reasonable deadline for requests.

⁵ Any date which is set must comply with Condition GCSE18.4, including complying with the requirements set out in the table.
