  - (a) notice of the application has been given to the appropriate national authority,
  - (b) a period of at least 14 days has elapsed since that notice was given, and

- (4) References in this section to the court's powers on a winding-up petition are to –
  - (a) its powers under section 125 of the Insolvency Act 1986 (other than its power of adjournment), and

## **CHAPTER 4**

### **FURTHER EDUCATION BODIES: SPECIAL ADMINISTRATION**

#### *Introduction to education administration*

### **15 Overview of Chapter**

- (1) This Chapter creates a procedure to be known as education administration.
- (2) The main features of an education administration are that –
  - (a) it can be used where a further education body is unable to pay its debts or is likely to become unable to pay its debts,

- (b) the court appoints an education administrator on the application of the appropriate national authority, and
- (c) the education administrator manages the body's affairs, business and property with a view to avoiding or minimising disruption to the studies of existing students.

## **16 Objective of education administration**

- (1) The objective of an education administration is to –
  - (a) avoid or minimise disruption to the studies of the existing students of the further education body as a whole, and
  - (b) ensure that it becomes unnecessary for the body to remain in education administration for that purpose.
- (2) The means by which the education administrator may achieve that objective include –
  - (a) rescuing the further education body as a going concern,
  - (b) transferring some or all of its undertaking to another body,
  - (c) keeping it going until existing students have completed their studies, or
  - (d) making arrangements for existing students to complete their studies at another institution.

### *Process*

## **17 Education administration order**

- (1) An education administration order is an order of the court appointing a person as the education administrator of a further education body.
- (2) A person is eligible for appointment as an education administrator only if the person would be qualified to act as an insolvency practitioner in relation to the further education body.
- (3) While an education administration order is in force the further education body may be described as being “in education administration”.

## **18 Application for education administration order**

- (1) An education administration order may be made only on an application by the appropriate national authority.
- (2) The appropriate national authority must give notice of an application –
  - (a) to the further education body to which the application relates, and
  - (b) to any person specified in education administration rules (for those rules, see section 32).
- (3) An application for an education administration order is referred to in this Chapter as an “education administration application”.

## **19 Grounds for making an education administration order**

- (1) The court may make an education administration order on an application only if satisfied that the further education body –
  - (a) is unable to pay its debts, or

- (b) is likely to become unable to pay its debts.
- (2) The court has no power to make an education administration order in relation to a further education body which—
  - (a) is in administration under Schedule B1 to the Insolvency Act 1986, or
  - (b) has gone into liquidation (within the meaning of section 247(2) of the Insolvency Act 1986).
- (3) For the purposes of this section a further education body is unable to pay its debts if it is deemed to be unable to pay its debts under section 123 of the Insolvency Act 1986.

## **20 Powers of the court on hearing an application**

- (1) On hearing an education administration application the court may—
  - (a) grant the application,
  - (b) adjourn the application conditionally or unconditionally,
  - (c) dismiss the application,
  - (d) make an interim order,
  - (e) treat that application as a winding-up petition and make any order the court could make under section 125 of the Insolvency Act 1986 (power of court on hearing winding-up petition), or
  - (f) make any other order that it thinks appropriate.
- (2) An interim order under subsection (1)(d) may, in particular—
  - (a) restrict the exercise of a power of the further education body,
  - (b) in the case of a further education body that is a statutory corporation, restrict the exercise of a power of its members,
  - (c) in the case of a further education body that is a company, restrict the exercise of a power of its directors, and
  - (d) make provision conferring a discretion on a person who would be qualified to act as an insolvency practitioner in relation to the further education body.
- (3) An education administration order comes into force—
  - (a) at the time appointed by the court, or
  - (b) if no time is appointed by the court, when the order is made.

## **21 Appointment of two or more education administrators**

If an education administration order appoints two or more persons as the education administrator of a further education body, the order must set out—

- (a) which (if any) of the functions of the education administrator are to be carried out only by the appointees acting jointly,
- (b) the circumstances (if any) in which the functions of an education administrator are to be carried out by one of the appointees, or by particular appointees, acting alone, and
- (c) the circumstances (if any) in which things done in relation to one of the appointees, or in relation to particular appointees, are to be treated as done in relation to all of them.

## **22 Duty to dismiss ordinary administration application**

- (1) On the making of an education administration order in relation to a further education body, the court must dismiss any ordinary administration application made in relation to the body which is outstanding.
- (2) In this section “ordinary administration application” means an application in accordance with paragraph 12 of Schedule B1 to the Insolvency Act 1986.
- (3) Subsections (2) to (4) of section 14 (meaning of “outstanding”) apply for the purposes of this section.

## **23 Status of education administrator**

- (1) An education administrator is an officer of the court.
- (2) In carrying out functions in relation to a further education body an education administrator acts as its agent.

### *Functions of administrator and conduct of administration*

## **24 General functions of education administrator**

  - (b) subject to that, the company’s members as a whole.
- (6) For the purposes of this section an existing student has “special educational needs” if he or she has a learning difficulty which calls for special educational provision to be made for him or her.
- (7) In subsection (6) –
  - “special educational provision”, in relation to an existing student, means provision for education or training that is additional to, or different from, that made generally for other students of the same age;
  - “learning difficulty” is to be read in accordance with section 19(6) and (7) of the Further and Higher Education Act 1992.

- (2) A grant or loan under this section may be made on whatever terms the appropriate national authority considers appropriate (including terms relating to repayment of the grant or loan, with or without interest).
- (3) In the case of a loan, the terms must provide for paragraph 99(7)(a), (b) or (c) of Schedule B1 to the Insolvency Act 1986 (vacation of office: charges and liabilities) to apply in relation to any sum that must be paid by the further education body in respect of the loan or interest on it.
- (4) In subsection (3) the reference to paragraph 99 of Schedule B1 to the Insolvency Act 1986 is to that Schedule as applied by Schedule 3 or 4 to this Act.
