## Key stage 3

### **Action: access key stage 2 (KS2) test results on NCA tools for incoming year 7 pupils**

Schools with a key stage 3 (KS3) intake can access the results of the 2017 KS2 tests in the 'Pupil results' section of [NCA tools](#) for incoming year 7 pupils.

You will need unique pupil numbers (UPNs) to access the results of pupils joining your school in September.

Each pupil receives:

- a raw score
- a scaled score
- confirmation of whether or not they met the expected standard (a scaled score of 100 represents the expected standard)

If you have any queries about pupils' results, or need help accessing NCA tools, please contact the national curriculum assessments helpline on 0300 303 3013.

### **Information: question level analysis of KS2 test results**

By the end of July, question level analysis will be available to schools with incoming year 7 pupils via [Analyse School Performance](#) (ASP). It will be available from the 'Question level analysis' tab.

This will enable schools to see how pupils performed in different areas of a test, or in answering individual questions compared to other pupils nationally.

If you have any queries about the analysis of KS2 results, please contact the DfE helpline on 0370 000 2288.
