### Publication: 2018 information and resources leaflet

We have published our [2018 information and resources leaflet](#) on GOV.UK. The leaflet contains links to our most-used collection pages on GOV.UK.

Collections group online guidance and resources for schools and local authorities, by subject area, to make content easier to find and navigate. Our collections are grouped under the following headings:

- early years foundation stage
- KS1 and KS2 tests
- KS1 and KS2 teacher assessment
- phonics screening check
- practice materials
- guidance for local authorities
- KS1 and KS2 statistics

We'll update the collections throughout the year as more information is published about the current test cycle.
