

Acknowledgements

We wish to acknowledge the assistance we have received from the Centre for Longitudinal Studies at the Institute of Education with access to and queries regarding the birth cohort studies. Special thanks are due to Peter Shepherd for providing the 1999/2000 survey datasets early in 2001, facilitating time for the detailed analysis shown in this report.

We would like to thank the Department for Education and Skills for their financial support, particularly Bill Sheppard for his comments on earlier drafts of this report.

Lynne Conaghan has contributed her usual secretarial expertise in the final stages of producing this document.
