FOR 17 -1 9YEAR OLDS**

**(December 2008 - January 2009)**

**SECTION 1: INTRODUCTION**

IF RESPONDENT IS NOT THE SAME AS PERSON WHO ANSWERED FIRST QUESTIONS:

Hello I am conducting a survey on behalf of Oxford University for Becta. Thanks very much for taking part.

I would like to ask you some questions about the things you do, and about which of the things you do that technology helps you with.

It doesn't matter if you use a lot of technology or not – I just want to hear what *you* do.

You may find that sometimes I ask you the same question more than once – don't worry about this – it is just the way this survey works – if this happens please just answer the question again.

For every respondent who helps with this survey we will donate £3 to Children in Need as a thank you for your help with this research.

D1. So before we start can I just check, how old are you? **[CODE ONE ONLY]**
