## Section G – Suitability and disqualification

**(G1)** You must obtain a Disclosure and Barring Service (DBS) certificate before you submit your application. For information on how to obtain a DBS certificate via the Capita website please read the *Guide to registration for children's social care services* available at [www.ofsted.gov.uk/resources/090020](http://www.ofsted.gov.uk/resources/090020). You must include your original DBS certificate with this application form, unless you applied for your certificate via the Capita website, and the certificate shows no recorded information (the certificate states 'none recorded' in each section').

**(G3)** This section helps us decide if you are qualified to apply or if there are any other circumstances that might affect your fitness to work with or be in regular contact with children.

The disqualification section of the *Compliance, investigation and enforcement handbook* (available at [www.ofsted.gov.uk/resources/compliance-investigation-and-enforcement-handbook](http://www.ofsted.gov.uk/resources/compliance-investigation-and-enforcement-handbook)) gives more information about The Disqualification from Caring for Children (England) Regulations 2002 and the circumstances that disqualify you from working with or being in regular contact with children.

If you are disqualified from carrying on or managing, having a financial interest in, or being employed at, a children's home you will need to apply for written consent to apply for registration. Consent must be granted before you can apply. You can find more information in the guidance *Disqualification – Applying for written consent to carry on or manage, have a financial interest in, or be employed at, a children's home* available at [www.ofsted.gov.uk/resources/disqualification-applying-for-written-consent-carry-or-manage-have-financial-interest-or-be-employed](http://www.ofsted.gov.uk/resources/disqualification-applying-for-written-consent-carry-or-manage-have-financial-interest-or-be-employed).

**(G4)** We make a decision about your fitness by carrying out a series of checks. These questions relate to any criminal record you might have. Not all offences prevent you from being in regular contact with children. In G2 you need to give details of:

- the nature of the offence
- the place where the offence occurred
- the name of the court which gave the conviction
- the penalty imposed.

Please note that exemption under the Rehabilitation of Offenders Act 1974 does not apply. **You must include details of spent convictions, including those related to juvenile offences.**

If you need more space, please use section J.

## Section H – Consent and declaration

As part of these checks, we may ask you to provide information and we may ask other authorities/people to share with us information that they hold about you.

We use the information from checks and any interviews to make a decision about your suitability to work with or be in regular contact with children. It may be necessary to repeat these checks from time to time in order to assess your ongoing suitability. The checks we carry out are listed in the *Guide to registration for children's social care services*. By signing the form, you give your consent to these checks, including your consent for Ofsted to access, at any time, your record on the DBS update service.
