

GOLDEN RULE 4

Value me

→ Involve me right from the start.

→ Remember that I should be able to say what I think about things in my day to day life, as well as bigger things in my school, community and country.

→ Show me that you are listening to me, and are taking me seriously.

→ If I take part, please use what I tell you to help you make decisions.

**→ Make sure that you use the things I have said to make my life better and change the things that need to be changed.
If you do not use the things that I have said to make changes, please explain to me why not.
Tell me how important my voice is.
Don't ignore me because it is too hard for you to hear what I have to say.**
