## GCE Qualification Level Conditions

### Condition GCE1 Assessment arrangements

- GCE1.1 An awarding organisation must ensure that in respect of each GCE qualification which it makes available a Learner is assessed during the months of May and/or June in any single year.
- GCE1.2 Condition GCE1.1 does not apply in respect of any assessment where evidence generated by a Learner in that assessment is marked by a Centre.
- GCE1.3 In respect of each GCE qualification which it makes available an awarding organisation must ensure that –
- (a) it issues a single result, or a single set of results, in respect of each Learner, following completion by that Learner of the assessments to be taken for that qualification,
  - (b) where confirmation of, or a change to, any mark for an assessment has been communicated to a Centre or a Learner in advance of the issue of that result or set of results, no further evidence generated by that Learner will be admissible as part of that assessment, and
  - (c) where any result for a unit has been communicated to a Centre or a Learner in advance of the issue of that result or set of results, no further evidence generated by that Learner will be admissible as part of the assessments for that unit.
