Corrections to the published ‘Enquiries about Results for GCSE and A level: Summer 2015 Exam Series’

Since the Enquiries about Results for GCSE and A level: Summer 2015 Exam Series report was published on 10th December 2015, we identified some inaccuracies within the report. Some inaccuracies were due to some errors in the data provided by one exam board; some were due to late amendment of submitted data from another exam board not being incorporated into the overall statistics.
