## NEW

### **January 2016: governance**

From 1 January 2016, the government will no longer require schools to adopt home-school agreements (HSAs) and associated parental declarations. Schools can decide how to maintain these relationships (including through voluntary HSAs). The government repealed this requirement as part of the Deregulation Act 2015. As a result, we will update our [behaviour and discipline advice for schools](#).

### **January 2016: governance**

You must not destroy any records (paper or digital) that may be relevant to the [Independent Inquiry into Child Sexual Abuse](#) (The Goddard Inquiry). Justice Goddard's statement on 27 November 2015 setting out which institutions would be investigated in phase 1 is available on the inquiry website.

## NEW

### January 2016: staffing

Schools must update their pay and appraisal policies to comply with the arrangements in the [School Teachers' Pay and Conditions Document \(STPCD\) 2015](#). The policies must explain how schools will use performance-related progression when making pay decisions from September 2016. This follows the government's removal of discretionary reference points between the bottom and top of the pay ranges from the [School teachers' pay and conditions advice](#). Schools should also explain how pay decisions for those at the top of a pay band will take account of performance following any future increases to the pay range.
