The English Baccalaureate (EBacc) is a school performance measure. It allows people to see how many pupils get a grade C or above in the [core academic subjects](#) at key stage 4 in any government-funded school.

We introduced the EBacc measure in 2010. In June 2015, we announced our intention that all pupils who start year 7 in September 2015 take the EBacc subjects when they reach their GCSEs in 2020.

We ran a [consultation on how to implement the EBacc](#) from 3 November
