BEHAVIOURS

A passenger transport professional needs to:

- Be approachable and friendly at all times.
- Act as a good listener, respectful of other's beliefs and personal circumstances.
- Be conscientious of risks impacting on passenger safety and remain calm under pressure when issues occur.
- Be confident of their role regarding passenger safety and organised in its delivery.
- Be passionate about providing quality passenger services and a role model to colleagues.
- Pay attention to detail and take pride in providing a quality service.

AN APPRENTICESHIP THAT TAKES PEOPLE WHERE THEY NEED TO GO

Every day millions of people travel on trains, buses and coaches to get to work, to see friends and family or to go on holiday. Passenger transport service professionals make a difference by ensuring they are able to travel safely, on time and in comfort from the beginning to the end of their chosen journey. An apprenticeship in passenger transport services is a great opportunity to acquire the skills, knowledge and behaviours that play a vital role in providing a high quality, accessible and safe passenger transport service to all customers.

Depending on the type of transport system your employer is responsible for, you could be driving buses, trains or coaches. Your duties will include the effective and efficient operation of a passenger transport vehicle, driving legally and safely with a high attention to detail and prioritising on the safety of the passengers and the wider public. An apprenticeship in passenger transport services is your first stop to a great career in the transport industry.

TYPICAL JOB AREAS

Rail: overground, underground and mainline. Bus: scheduled, non-scheduled. Coach: scheduled, tour.

ENTRY REQUIREMENTS

Apprentices without Level 1 English and maths will need to achieve this level and take the test for Level 2 English and maths prior to taking the end point assessment.

QUALIFICATIONS

Apprentices must hold a valid UK driving licence (at least Cat B) in order to access the apprenticeship and must be 18 years old by the time they are ready to gain their provisional vocational licence. It is the employers responsibility to ensure you have, or are eligible to work towards obtaining the relevant licence.

The apprentice will need to obtain the relevant licence prior to taking their end point assessment.

ROUTE TO YOUR SUCCESS

The apprenticeship will cover: core knowledge and understanding relating to safety, quality, customer service and operating a passenger vehicle. You will then take the team member optional route based on your occupation of: Bus, Coach or Rail.

CORE KNOWLEDGE AND UNDERSTANDING

- Understand what is required of you to ensure you and your customers comply with relevant rules, procedures, regulations and laws that can impact on the transport environment and its safe operation.
- Understand the range of services available and have an appreciation of the commercial transport environment.
- Understand the diverse range of customers within the transport services industry, their needs, rights and expectations and how to provide an excellent service that promotes the transport industry.
- Know the preparation, tests and checks required to ensure a vehicle is brought into service safely and on time.
- The range of route features, characteristics, systems and equipment, and the different conditions and restrictions that may occur when driving.
- Different vehicle types, features, systems and equipment and the responsibilities and actions required of the driver to ensure delays are minimised and the journey is undertaken safely and securely.
- Know the range of situations, failures, incidents and emergencies that could occur and the actions and considerations to be taken when these have been identified and the procedures to follow.
