

DIRECTION UNDER SECTION 15(5) OF THE LOCAL GOVERNMENT ACT 1999 AND SECTION 497A(4) and (4B) OF THE EDUCATION ACT 1996 TO DONCASTER BOROUGH COUNCIL

WHEREAS

1. In this Direction:
 - a. “the 1996 Act” means the Education Act 1996;
 - b. “the 1999 Act” means the Local Government Act 1999;
 - c. “the September 2014 direction” means the direction of 19 September 2014 given by the Secretaries of State to the authority;
 - d. “the authority” means Doncaster Borough Council (also known as Doncaster Metropolitan Borough Council);
 - e. “children’s social care functions” means functions described in section 50(2) of the Children Act 2004;
 - f. “disabled child” has the meaning given by section 17(11) of the Children Act 1989 and references to disabled children are to be construed accordingly;
 - g. “Secretaries of State” means the Secretary of State for Communities and Local Government and the Secretary of State for Education;
 - h. “Services Agreement” means a contract, setting out the terms on which the Trust is to perform certain children’s social care functions on behalf of the authority, which was entered into by the authority and the Trust pursuant to and following the September 2014 direction;
 - i. “the Trust” means the Doncaster Children’s Services Trust Limited (registered company number 08805834).
2. Pursuant to the September 2014 direction, the Secretaries of State directed that certain children’s social care functions should be exercised by the Trust on behalf of the authority in order to secure that those functions are performed to an adequate standard and that the authority complies with the requirements of Part 1 of the 1999 Act.
3. Paragraph 4(b)(ii) of the September 2014 direction also provided that the children’s social care functions specified in Schedule 2 thereto should be performed by the Trust on behalf of the authority in respect of children who are not disabled children, and by the authority in respect of disabled children.
4. The Secretaries of State have considered the report from Ofsted in November 2015 which found that there was insufficient integration between services for Children With Disabilities and wider children’s social care. The Authority and the Trust have proposed to transfer services for Children With Disabilities and responsibility for the Oaklands Short Break Residential Unit to the Trust in June 2016 and September 2016 respectively.
5. In the view of the Secretaries of State, the Authority and the Trust, children’s social care functions in respect of disabled children are still not being performed to an adequate standard or in compliance with the requirements of Part 1 of the 1999 Act, and in order to secure that they are performed to an adequate standard and in compliance with the requirements of Part 1 of the 1999 Act, the Secretaries of State consider that it is necessary that they be performed by the Trust from the date of this Direction.

6. The Secretaries of State, having considered the representations made by the authority and the Trust under section 15(9) of the 1999 Act therefore consider it necessary or, as the case may be, expedient in accordance with their powers under section 15(5) of the 1999 Act and section 497A(4) and (4B) of the 1996 Act respectively, to direct the authority, as set out below, in order to ensure:
 - a. the authority's compliance with the requirements of Part 1 of the 1999 Act in respect of its children's social care functions; and
 - b. that the authority's children's social care functions are performed to an adequate standard and in compliance with the requirements of Part 1 of the 1999 Act.

NOW THEREFORE

7. Pursuant to their powers under section 15(5) of the 1999 Act and section 497A(4) and (4B) of the 1996 Act, the Secretaries of State direct that the authority shall:
 - a. secure that:
 - i. the children's social care functions which are set out in Schedule 1 to this Direction are performed by the Trust on behalf of the authority;
 - ii. the children's social care functions which are set out in Schedule 2 to this Direction are performed by both the authority and by the Trust on behalf of the authority;
 - b. agree necessary amendments to the Services Agreement resulting from this Direction by no later than 20/06/2016, and comply with its terms from the date of execution of an amended Agreement;
 - c. comply with any instructions of either of the Secretaries of State in relation to:
 - i. ensuring that the authority's children's social care functions are performed to an adequate standard;
 - ii. the carrying on or, as the case may be, the winding up of the Trust;
 - iii. terms of the Service Agreement that require the Secretary of State's consent or approval;
 - iv. the operation of this Direction;
 - d. Obtain the prior written approval of the Secretary of State for Education before exercising functions under Part 1 of the Children and Young Persons Act 2008 (entry into arrangements with a body corporate in relation to the discharge of the authority's children's social care functions) in relation to the authority's children's social care functions.

8. In this Direction, a reference to a function under a particular section, part or chapter of any primary legislation ("Act") includes:
 - a. subsequent amendments, modifications, enactments or re-enactments to or of the particular section, part or chapter of that Act;
 - b. schedules brought into force by virtue of the particular section, part or chapter of that Act;
 - c. regulations or orders made under the particular section, part or chapter of that Act.
9. If a particular section, part or chapter of any Act is repealed, to any extent, then the function in question shall cease to apply and neither the Trust nor the authority shall be required to perform that function (to the extent of the repeal).
10. If a particular section, part or chapter of any Act listed in the Schedules to this Direction is to come into force, then the function in question shall not apply, and neither the Trust nor the authority shall be required to perform that function, until such time as, and to the extent that, the relevant provision enters into force.
11. The headings to the statutory provisions set out in the Schedules to this Direction in parentheses are for illustrative purposes only and do not form part of this direction.
12. Subject to sub-paragraph 6.d., nothing in this Direction shall affect any right of the authority to arrange for the provision of additional services by the Trust, whether pursuant to the Services Agreement or otherwise.
