Notes:

- From 2000/01, the data used to calculate the API are based on full-year enrolments. The data used in previous years were based on a snapshot of enrolments at 1st December of the academic year. Full year data are defined by the HESA standard registration population.
- In 2013/14, the Further Education Statistical Record (FESR) ceased to exist and was replaced by the Consolidated Data Return (CDR).
