GENERAL TERMS AND CONDITIONS

1 Purpose of the Funding Agreement

- 1.1 The EFA is an executive agency of the Department of Education, exercising powers on behalf of the Secretary of State and is acting on behalf of the Crown. Under the Education Act 2002, the Secretary of State may give or make arrangements for the giving of grants to any person for or in connection with the provision in the UK of education or of educational funding agreement activities.
- 1.2 The funding for the supply of these Activities in respect of High Needs Students by the SPI is provided by both the EFA and the commissioning local authority which is responsible for meeting the Student's needs. The EFA will fund the SPI as follows:
 - 1.2.1 for High Needs Students aged 16 to 18 and 19 to 25 where they are subject to an Education Health and Care Plan, the EFA will pay the SPI an amount, based on the published standard 16 to 19 funding formula (Element 1), and
 - 1.2.2 a sum of £6,000 per annum, for each planned place declared by local authorities for High Needs Students (Additional Support Funding – Element 2).
- 1.3 Top-up funding (Element 3) is funding required by the SPI above the 16 to 19 funding formula and additional support funding (Elements 1 and 2) to meet the total cost of education provision required by a High Needs Student as assessed by the commissioning local authority. This will be agreed and contracted directly between the commissioning local authority and the SPI.
- 1.4 This Funding Agreement sets out the terms and conditions under which grant funding and annual allocation funding is provided to the SPI by the EFA. This Funding Agreement is not a contract for services. The terms and conditions relating

to annual allocation funding will be updated annually. The EFA has complete discretion in deciding the amount of funding that shall be paid in each funding year. A separate contract will be entered into by the local authority and the SPI, where appropriate, to specify the terms and conditions governing any top-up (Element 3) funding paid by the local authority to the SPI.
