1. Information: 40% savings from new printer deal

The Department for Education (DfE) has worked with Canon on a [money-saving deal for school printers](#).

The deal is part of the [schools' buying strategy](#) that aims to make buying easier and offer the best value for schools. Early feedback is positive with schools regularly reporting savings of more than 40%.

DfE has secured this deal under a framework competition process so there's no need for schools to get 3 quotes. All you need to do is choose your device and place your order.

Canon has set up a help desk for schools, on 0800 029 4981 to answer questions.
