Stakeholder update

Information: assessment update sent to schools

The information sent to schools is as follows:

Key stage 1

Publication: 2017 KS1 test materials and scaled scores available

Information: delivery of phonics screening check materials this week

Information: phonics screening check monitoring visits start this week

Action: administer the phonics screening check next week

Key stage 2

Reminder: submit KS2 teacher assessment by 29 June

Primary assessment

Information: approval letters for local authority moderators

Following completion of both KS1 and KS2 standardisation exercises, we have now issued confirmation letters to all approved LA moderators.

The letters are in two formats due to the different mailing systems used. LAs should be assured that both letter formats are worded identically and are equally valid. Schools should be confident to accept the letters in either format. If you have any queries, please contact your LA moderation manager.
