1. Action: maths and English condition of funding questionnaire

We have published an [online questionnaire](#) to gain a better understanding of the main issues and barriers facing 16 to 18 institutions and providers in meeting the maths and English condition of funding.

We are asking 16 to 18 institutions and providers that had students that did not meet the maths and English condition of funding in the 2015 to 2016 academic year, to complete the questionnaire no later than Friday 14 July 2017.

[More information about this questionnaire](#) is available on GOV.UK.
