1. National Apprenticeship Awards 2017 – regional finalists announced

Information

We have announced the [employers and individuals competing for awards](#) in 10 categories in the regional stage of the National Apprenticeship Awards 2017 – having beaten off competition from almost 800 entries.

The 2017 awards, run by the National Apprenticeship Service and now in their 14th year, recognise employers and apprentices from across England. The awards recognise excellent businesses that grow their own talent with apprenticeships and apprentices, who have made a significant contribution to their workplaces.
