1. Information: Dedicated schools grant pupil number tool updated with January 2017 census data

We've updated the [dedicated schools grant pupil number tool](#) with data from the January 2017 census.

Local authorities can use the tool to view pupil numbers used to calculate the 2017 to 2018 dedicated schools grant.

2. Information: Customer engagement research survey

Thank you to all those who have participated in our customer engagement research. Your input has been very valuable.

There is one final opportunity for anyone who hasn't been able to participate in a focus group or interview to share your thoughts with us. We have a [short survey](#) with 6 questions about customer engagement. This won't take more than 5 minutes of your time to complete.

The survey will close on Tuesday, 8 August.
