Teaching schools and teaching school alliances

As at 1 August 2017 there were 649 teaching school alliances across England and 820 teaching schools. Both the number of teaching schools and the number of teaching school alliances have increased slightly since 1 July 2017. Around 80% of teaching school alliances had one teaching school although a few had as many as 5 or 6.

Teaching schools were present in all 9 English regions and in 149 out of 150 local authorities: City of London and Isles of Scilly are excluded from the analysis as each has only one maintained school. The Isle of Wight is the only local authority not to have a teaching school although it should be noted that teaching schools and teaching school alliances can work across local authority boundaries.

The South East had the highest number of teaching schools with a total of 130 (15.9%), followed by the North West with 116 (14.1%) and London with 115 (14.0%). The North East had the lowest number of teaching schools with 52 (6.3%).
