Stakeholder update

Information: test administration Q&A event

To help preparations for the 2018 national curriculum assessments, we are considering offering schools and local authorities the opportunity to participate in an online, interactive Q&A session with our expert panel.

This would be your chance to ask any outstanding questions that you may have and to request clarification on issues relating to the administration of the 2018 assessments that you may be experiencing at your school(s) or with your pupils.

The session would focus on:

- test administration
- access arrangements

This would be a Facebook Q&A event and would last for about 45 minutes.

In order to make potential sessions as productive as possible, we need your feedback and suggestions. This will help us to make sure we deliver sessions in a way that suits you and that we focus on the topics you most want to hear about.
