Information: completing pupil registration

The 'Pupil registration' section of [NCA tools](#) opened on 19 February.

To access and complete pupil registration, pop-ups must be enabled via your web browser. You'll find instructions about how to allow blocked pop-ups on the pupil registration page.

Information: using NCA tools to apply for access arrangements

When using [NCA tools](#), please ensure you're only using one browser window and browsing tab. Having more than one tab open can lead to error messages and incomplete applications.

Please also make sure you use the navigation buttons within NCA tools rather than the back button in your web browser.

Action: opportunity to provide feedback about primary assessments

We are always interested in receiving feedback from stakeholders about the national curriculum assessment system.

Over the next few months, we plan to contact stakeholders by either email or telephone to gather feedback on our test and assessment materials and communications. If you'd be happy for us to contact you please provide us with your contact details by completing this [short survey](#).
