

Annex D: Industry placement supplementary recommendations

This table sets out the supplementary recommendations for some T Levels, that are in addition to the minimum starting requirements and suggested prior learning. These are entirely optional and have been identified by T Level panels as being potentially beneficial to some students, depending on their intended progression following their T Level course. They may be included within a T Level programme at the provider's discretion.

Wave	Route	T Level	Industry Placement Supplementary Recommendations
Wave 1 - 2020 delivery	Education and Childcare	T Level in Education and Childcare	<ul style="list-style-type: none">• Food and hygiene: for the Early Years Educator occupational specialism only: dependent on nature of placement/occupation it may be beneficial to undertake a relevant food and hygiene qualification/training• DBS basic/ enhanced checks and disqualified disclosure: this check should be completed before the placement where required• Safeguarding training: providers should ensure relevant safeguarding is covered before the placement takes place.
