- - - - After 1 September 2020 and on or by 1 January 2021 Nine twelfths of their annual allocation After 1 January 2021

 - The grant may be spent in the following ways: • for the purposes of the school; that is, for the educational benefit of pupils registered at that school for the benefit of pupils registered at other maintained schools or academies • on community facilities; for example, services whose provision furthers any charitable purpose for the benefit of pupils at the school or their families, or people who live or work in the locality in which the school is situated

The LAC numbers will be updated in December 2020 as stated below. This means that some schools could see a small reduction in the number of Ever 6 FSM pupils counted for their pupil premium allocation, if the pupil is identified as LAC in the update. In these cases the schools concerned would see a reduction in their pupil premium allocation. For new schools that open in the 2020 to 2021 financial year, we will use the October 2020 school census.
