[Print this page](#)

1. Latest information on coronavirus (COVID-19)

The Department for Education has published [guidance about COVID-19 in educational settings for staff, parents and carers, pupils and students on GOV.UK](#).

There is also guidance on the [apprenticeship service about COVID-19](#).

Please check [GOV.UK](#) regularly for updates.

2. Information: the apprenticeship technical funding guide has been updated

We have published version 2 of the [apprenticeships technical funding guide from August 2020](#).

This explains how funding will work for apprenticeship standards starting on or after 1 August 2020, including how we will calculate provider payments.

The update from the previous guidance clarifies how we fund apprentices that have been made redundant after completing 75% of their apprenticeship, following a change to the apprenticeship funding rules applying from 15 October 2020.

For further information please email sde.servicedesk@education.gov.uk.

3. Information: 16 to 19 tuition fund

Revised allocations statements are now available on ESFA Information Exchange for providers that returned a completed opt-in form between the 20 September and the final deadline of the 14 October. The statement confirms the new total funding allocation inclusive of the [16 to 19 tuition fund](#). Payments will normally commence in December. For FE institutions and local authorities (where maintained sixth forms have opted in) contract variations will be issued during November and will need to be signed by the end of the month to ensure payment in December. This contract variation can only be issued where there are no variations currently awaiting signature. Please review your account on [MYESE](#) to ensure you have nothing outstanding.

Full details of eligibility are given in the guidance on the [16 to 19 tuition fund](#). Note that special schools and special academies are not in scope for the 16 to 19 tuition fund as all of their provision is covered by the [schools catch-up premium funding](#).

4. Information: campaign to recruit next Further Education Commissioner now live

Last week the Department for Education launched the recruitment process for the next Further Education Commissioner. The FE Commissioner works with colleges to improve the quality of education for learners, strengthen financial resilience, improve the quality of leadership and reduce the risk of colleges requiring interventions.

How to apply and further information can be found on the [HM Government Public Appointment's webpage](#).
