

## Annex 9 - Trusts in receipt of additional financial support 2019/20

This annex provides information about the financial support the ESFA provided to academy trusts in 2019/20.

Trusts received support for different reasons and inclusion on this list cannot be taken as an indication of their past or current financial health. These reasons are listed in the table and correspond to our published framework for [financial support for academy trusts](#). For the 'facilitating transfer' framework category, the table details whether academy transfers related to an academy/academies joining the trust (transfer in), or an academy/academies leaving the trust (transfer out).

Each decision to provide funding was and is made on a case-by-case basis, taking into account the governance, financial and educational circumstances of the trusts involved and the best interests of pupils.
