Introduction

The references below highlight the statutory guidance, non-statutory guidance, professional standards and a selection of the research papers that we have reviewed to inform and develop the design of the toolkits, the proposed inspection methodology and inspector training. The selection of research references that we have included here focus on recent papers and articles that build on existing evidence. This includes evidence that we published in our [‘Education inspection framework: overview of research’](#) report.

Relevant statutory and non-statutory guidance and professional standards

[‘16 to 19 study programmes’](#), Department for Education, July 2017.

[‘Academy trust governance guide’](#), Department for Education, October 2024.

[‘Alternative provision’](#), Department for Education, June 2016.

[‘Behaviour in schools’](#), Department for Education, February 2024.

[‘Careers guidance and access for education and training providers’](#), Department for Education, January 2023.

[‘Cyberbullying’](#), Department for Education, July 2017.

[‘Development matters’](#), Department for Education, September 2023.

[‘Early years foundation stage \(EYFS\) statutory framework’](#), Department for Education, November 2024.

[‘Early years qualification requirements and standards’](#), Department for Education, January 2024

[‘Education for children with health needs who cannot attend school’](#), Department for Education, December 2023.

[‘Equality Act 2010: guidance for schools’](#), Department for Education, June 2018.

[‘Headteachers’ standards 2020’](#), Department for Education, October 2020.

[‘Independent school standards’](#), Department for Education, August 2019.

[‘Keeping children safe in education 2024’](#), Department for Education, September 2024.

[‘Maintained schools governance guide’](#), Department for Education, October 2024.

[‘National curriculum in England: framework for key stages 1 to 4’](#), Department for Education, December 2014.

[‘Participation of young people: education, employment and training’](#), Department for Education, April 2024.

[‘Prevent duty guidance’](#), Home Office, January 2024.

[‘Promoting children and young people’s mental health and wellbeing’](#), Office for Health Improvement and Disparities and Department for Education, November 2023.

[‘Using pupil premium: guidance for school leaders’](#), Department for Education, September 2024.

[‘Relationships education, relationships and sex education \(RSE\) and health education’](#), Department for Education, September 2021.

[‘School suspensions and permanent exclusions’](#), Department for Education, August 2024.

[‘Special educational needs and disability code of practice: 0 to 25 years’](#), Department for Education and Department of Health, September 2024.

[‘Teachers’ standards’](#), Department for Education, December 2021.

[‘Working together to improve school attendance’](#), Department for Education, August 2024.

[‘Working together to safeguard children’](#), Department for Education, February 2024.

Methodology and cross-framework
