What are the main benefits and impacts from your project?

1. Benefits and impacts that have already been realised	What evidence do you have?
•	
•	
•	
•	

2. Benefits and impacts you anticipate in future	a) When do you expect to see these realised? b) How will you know?
•	
•	
•	
•	

What resources do you have to share as a result of your project?

For example: evaluation reports, case studies, guidance, toolkits, templates, policies

Recommendations and lessons learned resulting from your project

Please list recommendations and lessons that would be useful to others contemplating a similar project in future. These could relate to project planning, delivery or evaluation. Did you have to change anything in your project scope, aims or methodology?

Are there any areas where more guidance or support would be helpful?

--

What is the one most important piece of learning/good practice to share from your experience of undertaking this project?

--

What would you do differently next time?

--

Intended next steps
What do you intend to do next to embed and build on the outcomes of the project?

--

Any other comments?
