INTRODUCTION

This self-evaluation form is primarily designed to:

- Assist you in your own self-evaluation; and
- Be used as the basis of the inspection of your school or setting.

The form is in three parts:

Part A SELF-EVALUATION

Part B FACTUAL INFORMATION ABOUT YOUR SCHOOL

Part C INFORMATION ABOUT COMPLIANCE WITH STATUTORY REQUIREMENTS

WELCOME TO YOUR SELF-EVALUATION FORM

GUIDANCE ON COMPLETION

When to complete the form

- The self-evaluation form (SEF) is a summative document, intended to record the outcomes of your ongoing process of rigorous self-evaluation.
- There is no fixed time in the year when it should be completed. It is usually best done to fit in with your normal cycle of review and planning, but it should be completed at least annually.
- Section B contains statistical and other factual information. Some of this is pre-populated by Ofsted, as and when the information becomes available. **You are advised to ensure that the factual information is up to date.**

Who and what the form is for

- **The SEF is intended to record the outcomes of your self-evaluation.** As such, it should be an accurate diagnostic document with all conclusions fully supported by the evidence. It should indicate key strengths and weaknesses, and what needs to be tackled to effect improvement. Inspectors will make considerable use of the SEF when discussing their arrangements for inspection. The impact of your self-evaluation in helping to bring about improvement will be a major factor in their judgements about the effectiveness of your leadership and management and your capacity to improve in the future.

How to fill the form in

- It is helpful if you check the factual information and complete Part B and then complete Part C. This is because this information can then be drawn upon to help complete Part A.
- Part A, the evaluative section, is laid out in sections that correspond to the headings of the evaluation schedule in the framework for the inspection of schools, although overall effectiveness and efficiency are placed last in the SEF. **Please complete first the sections dealing with achievement and standards, and personal development and well-being, since these outcomes will form the basis for your judgements in other sections.**
- Reference is made in Section A to the **Guidance for Inspectors of Schools**. This guidance is in two parts. One relates to the use of the evaluation schedule, which contains advice on how to pitch judgements about the quality of provision and its outcomes. The other is guidance on how to conduct inspections, which should also prove helpful to you since it indicates how aspects of the school might be explored by inspectors. In addition, you can refer to the guidance on self-evaluation published by Ofsted and the Department for Education and Skills, which contains a section giving detailed advice, including examples, on completing some sections of the form. These documents are available on Ofsted's website and through a hyperlink on this form.
- Each section of the SEF asks you to grade aspects of your work on a four-point scale, as follows:

Grade 1: Outstanding
Grade 2: Good
Grade 3: Satisfactory
Grade 4: Inadequate

- It is most important that you complete this form rigorously and objectively. **The grade descriptions in the *Guidance for Inspectors of Schools* will assist you to reach accurate judgements.**
- When completing the text boxes in Part A you should summarise your main findings and illustrate with the evidence which led to the judgements being made, bearing in mind the specific questions written in each of the boxes. **It is not intended that you should provide large amounts of statistical data and descriptive detail.** You should use evidence selectively to support the main judgements about your performance.
- If you have a special needs resource base, extended provision or other specific provision, please ensure that evidence about it is provided at suitable points within the SEF.
- Each section of the form has a 'Help' facility, which you can use to help you fill in particular sections.
- Please complete this form electronically via the Ofsted website.

The term 'school' is used to cover all providers, including those that term themselves 'colleges' or use a similar designation. It also covers those providers that are not technically schools, such as children's centres and pupil referral units.
